Codax

MechWarrior Serakek fought his five fights in the Trial of Bloodright fiercely and honorable. His Opponents were:

- [Δ] LM Charles Seneca (10.02.)
- [K] SCol Phellian (18.03.)
- [Γ] MW Rabatzbaer (17.04.)
- [Γ] SCom Sturmkrähe (04.05.)
- [Δ] SCpt Summoner (11.05.)

Serakek earned himself the right to carry the name of the noble Bloodhouse Radick. He owns the Bloodright 17. His power, skill and rage will serve the clan well. His voice in the Clan Council will make a difference.

As the tradition suggests, Serakek Radick is qualified to a higher rank as MechWarrior, now that he is one of the bloodnamed Warriors.

A Trial of Position or a promotion is highly advised.
